Division 2110—Missouri Dental Board
Chapter 2—General Rules

EMERGENCY AMENDMENT

20 CSR 2110-2.170 Fees. The board is amending the subsection (1)(E).

PURPOSE: This emergency amendment is establishing the renewal fee for dental faculty permits.

EMERGENCY STATEMENT: This emergency amendment is necessary to establish a renewal fee for dental faculty permits to allow them to renew beginning September 1, 2020.

House Bill 1268 created the dental faculty permit which enables accredited dental schools in Missouri to hire faculty and for that faculty to perform duties during the process of teaching which would otherwise constitute the practice of dentistry. Dental faculty permits expire on November 30th of every even year. This rule establishes the fee for renewing a dental faculty permit. Without establishing the fee to renew the permits, the board cannot renew a dental faculty permit as required by House Bill 1268.

*As a result, the Missouri Dental Board finds that there is a compelling governmental interest that requires this emergency action. The scope of this emergency amendment is limited to the circumstances creating the emergency and complies with the protections extended in the **Missouri** and **United States Constitutions**. The Missouri Dental Board believes this emergency amendment is fair to all interested persons and parties under the circumstances. This emergency amendment was filed July 29, 2020, becomes effective August 12, 2020 and expires February 25, 2021.*
