PROPOSED AMENDMENT

20 CSR 2200-3.035 Multiple Campuses. The board is amending sections (1)-(6) and deleting section (7).

PURPOSE: This amendment clarifies procedures for multiple campuses, nursing programs under the same sponsoring institution and programs with satellite locations.

- (1) Each **[campus of a program] nursing program under sponsorship of the same institution** will be treated independently for purposes of compliance with the minimum standards set forth by the board.
- (2) Each **[campus] nursing program under the sponsorship of the same institution** is required to submit a separate annual report, annual registration, and annual registration fee.
- (3) The sponsoring institution shall submit a proposal as indicated in 20 CSR 2200-3.010(4) (A) and receive approval from the board before opening an additional **nursing program at a different** campus or expand **an approved nursing program** to additional satellite location(s). Each additional campus and satellite location will be surveyed.
- (4) Each **nursing program location at any** campus and satellite location shall have a full-time faculty person designated as the coordinator who reports to the program administrator and meets the faculty requirements for appointment.
- (5) Discipline of one (1) **[campus]nursing program** will not automatically result in discipline of other **[campuses of the same program or other programs] nursing program(s)** under the same institutional sponsorship. Discipline of a nursing program will apply to satellite expansion site(s) of the program.
- (6) Each **[campus] nursing program** will be evaluated individually concerning licensure examination results. **Licensure examination results for satellite expansion sites will be part of the approved nursing program.**

[(7) Satellite locations do not qualify as a campus of an approved program.]
