

**Title 20—DEPARTMENT OF  
COMMERCE AND INSURANCE  
Division 2200—State Board of Nursing  
Chapter 6—Intravenous Infusion  
Treatment Administration**

**PROPOSED AMENDMENT**

**20 CSR 2200-6.060 Requirements for Intravenous Therapy Administration Certification.**  
The board is amending sections (1), (2), and (3).

*PURPOSE: This amendment clarifies requirements for intravenous (IV) therapy.*

- (1) A practical nurse who is currently licensed to practice in Missouri and who is not Intravenous (IV)-Certified in Missouri can obtain IV-Certification upon the successful completion of a board approved venous access and intravenous infusion treatment modalities course.
  - (A) Upon receipt of confirmation of successful completion of an approved course, the board shall *[issue verification of IV-Certification letter stamped with the board seal]* **designate IV certification on the license record through the coordinated licensure information system.**
  - (B) Upon *[receipt of the verification]* **confirmation** of IV-Certification *[letter from the board]*, **through the coordinated licensure information system** the licensed practical nurse may engage in practical nursing care acts involving venous access and intravenous infusion treatment modalities as specified in the provisions of section 335.016, RSMo, 20 CSR 2200-5.010, and this chapter.
  - (C) The practical nurse's *[next issued]* license **record** shall *[state]* **indicate** LPN IV-Certified.
  
- (2) A practical nurse who is currently licensed to practice in another state or jurisdiction of the United States, who is an applicant for licensure by endorsement in Missouri *[and has been issued a temporary permit to practice in Missouri]* and is not IV-Certified in another state or territory can obtain IV-Certification upon successful completion of a board-approved venous access and intravenous infusion treatment modalities course.
  - (A) Upon receipt of confirmation of successful completion of an approved course, the board shall *[letter stamped with the board seal and stating the expiration date of the temporary permit.]* **designate IV certification on the license record through the coordinated licensure information system.**
  - (B) *[Upon receipt of the Verification of IV-Certification letter from the board,]* **Upon confirmation of IV Certification through the coordinated licensure information system**, the individual may engage in practical nursing care acts involving venous access and intravenous infusion treatment modalities as specified in the provisions of section 335.016, RSMo, 20 CSR 2200-5.010, and this chapter.
  - [(D) If licensure requirements are not met by the expiration date stated on the Verification of IV-Certification letter and temporary permit, the individual shall*

*cease performing all practical nursing care acts including those related to intravenous infusion treatment administration.]*

- (3) A practical nurse who is currently licensed to practice in another state or jurisdiction of the United States, who is an applicant for licensure by endorsement in Missouri *[and has been issued a temporary permit to practice in Missouri,]* and is IV-Certified in another state or jurisdiction of the United States, or who has completed a venous access and intravenous infusion treatment modalities course in another state or jurisdiction of the United States, can obtain IV-Certification in Missouri by endorsement upon providing evidence of IV-Certification **or completion of a venous access and intravenous infusion modalities course** in another state or jurisdiction.
- (A) Upon receipt of evidence of IV-Certification **or completion of a venous access and intravenous infusion modalities course** in another state or jurisdiction the board *[will issue a Verification of IV-Certification letter stamped with the board seal and stating the expiration date of the individual's temporary permit]* shall designate IV certification on the license record through the coordinated licensure information system.
- (B) Upon *[receipt of the Verification of IV-Certification letter from the board,]* **confirmation of IV Certification through the coordinated licensure information system**, the individual may engage in practical nursing care acts involving venous access and intravenous infusion treatment modalities as specified in the provisions of section 335.016, RSMo, 20 CSR 2200-5.010, and this chapter.
- [(D) If licensure requirements are not met by the expiration date stated on the Verification of IV-Certification letter and temporary permit, the individual shall cease performing all practical nursing care acts including those related to intravenous infusion treatment administration.]*

*AUTHORITY: section[s] 335.017, RSMo 2016 and section 335.036, RSMo [2016] Supp. 2022.\* This rule originally filed as 4 CSR 200-6.060. Original rule filed Sept. 1, 2005, effective April 30, 2006. For intervening history, please consult the Code of State Regulations. Amended: Filed April 3, 2023.*

*PUBLIC COST: This proposed amendment will not cost state agencies or political subdivisions more than five hundred dollars (\$500) in the aggregate.*

*PRIVATE COST: This proposed amendment will not cost private entities more than five hundred dollars (\$500) in the aggregate.*

*NOTICE TO SUBMIT COMMENTS: Anyone may file a statement in support of or in opposition to this proposed amendment with the State Board of Nursing, Lori Scheidt, Executive Director, PO Box 656, Jefferson City, MO 65102, by fax at (573) 751-0075, or via email at nursing@pr.mo.gov. To be considered, comments must be received within thirty (30) days after publication of this notice in the Missouri Register. No public hearing is scheduled.*
