

**Title 20—DEPARTMENT OF
COMMERCE AND INSURANCE N
Division 2200—State Board of Nursing
Chapter 8—Minimum Standards for Approved
Veteran’s Bridge Programs of Practical Nursing**

PROPOSED AMENDMENT

20 CSR 2200-8.010 Approval. The board is amending section (4).

PURPOSE: This amendment shortens/simplifies the approval process for establishment of new nursing programs.

(4) Initial Approval Status.

(A) Process for Obtaining Initial Approval—

1. An accredited institution of education desiring to establish a Veteran’s Bridge Program of Practical Nursing shall submit a proposal to the board.
2. Prior to submission of a proposal nursing programs operating under the institution’s sponsorship shall meet requirements for full program approval;
- [2.]3. A program proposal shall be written and presented to the board by the administrator of the proposed Veteran’s Bridge Program of Practical Nursing. The proposal shall comply with the Minimum Standards for Veteran’s Bridge Programs of Practical Nursing as prescribed in 20 CSR 2200-8.050 through 20 CSR 2200-8.130 and bear the signature of the administrator who meets the criteria in 20 CSR 2200-8.060(1)(B) and has been active in the position on a full-time basis for at least nine (9) months *[and preferably one (1) year]* prior to the entry of the first class. *[The number of copies of the proposal shall be submitted as specified by the board.]*
4. Application fees for establishment of Veteran’s Bridge Programs of Practical Nursing shall be waived. The proposal shall remain active for no more than one (1) calendar year from the date of receipt at the board office. *[No more than two (2) proposal revisions shall be accepted.]* Members designated by the board will review the proposal and make recommendations to the board. Board approval of the proposal *[with or without contingencies]* shall be obtained no later than three (3) months prior to the anticipated opening date;
- [3.]5. An established program of practical nursing on full approval by the board may propose the Veteran’s Bridge Program of Practical Nursing as a program expansion, pilot program, or LPN refresher course. The program expansion, pilot program, or LPN refresher course may be implemented upon approval by the board. The board’s approval may be granted contingent on a site visit. If required by the board, the site visit shall be completed prior to program start;
- [4.]6. Each sponsoring institution shall have only one (1) program proposal under consideration for initial approval at any one (1) time;
- [5.]7. The proposal shall include:
 - A. Name and location of the sponsoring institution and its accreditation status;

- B. Evidence of institutional accreditation by an agency recognized by the United States Department of Education;
- C. Evidence of authorization to conduct the Veteran's Bridge Program of Practical Nursing by the governing body of the sponsoring institution;
- [D. Statement of need and feasibility, which shall include:*

 - (II) Number of professional nursing and practical nursing programs in the area and potential impact on those nursing programs;*
 - (III) Number and source of anticipated student population;*
 - (IV) Letters of support for the proposed nursing program;*
 - (V) Letter(s) from potential clinical sites; including a description of potential clinical sites, average daily patient census, and the ability to provide clinical placement to potential student(s) in addition to those of existing nursing programs to meet program objectives and outcomes; and*
 - (VI) Source of potential qualified faculty and anticipated ratio of faculty to student enrollment;]*
- [E.]D.** Mission statement of the sponsoring institution and **[the] philosophy and/or** mission statements of the proposed program;
- [F.]E.** Current organizational chart(s) illustrating the relationship of the program to the sponsoring institution and the faculty structure within the proposed program;
- [G.]F.** Proposed location (and satellites) in relation to the administrative office of the sponsoring institution;
- [H.]G.** Evidence of financial stability and resources of the sponsoring institution and the proposed program, to include a sustainability plan for the purchase, replacement, and maintenance of skills lab supplies, furnishings, and equipment to meet program outcomes;
- [I.]H.** Curriculum plan and sequence and graduate competencies; recommended plan of study as outlined in 20 CSR 2200-8.100;
- [J.]I.** Course descriptions and objectives;
- [K.]J.** Policies for evaluation and awarding of credit for military courses that shall be accepted as a significant portion of the practical nurse program;
- [L.]K.** Availability and accessibility of student services, to include evidence of support staff with expertise in evaluation of military transcripts;
- [M.]L.** Number of credit or clock hours for all courses required for completion of the Veteran's Bridge Program of Practical Nursing. Credit or clock hour allocations specific to theory, lab, and clinical portions shall be included. The plan of study shall require no more than seventeen (17) credit hours equivalent to four hundred (400) clock hours of instruction, to include no more than twelve (12) credit hours (one hundred eighty (180) clock hours) of theory and five (5) credit hours (two hundred twenty (220) clock hours) of

lab/clinical/simulation instruction. Credit or clock hour requirements may be adjusted according to the individual program and local population needs. Proposed adjustments in credit or clock hours should be clearly indicated in the proposal. Detailed justification for variation in credit or clock hour allocations shall be included;

[N.]M. Proposed final transcript for the nursing program; total number of clock or credit hours shall not exceed the number of clock or credit hours required for a similar (generic) program of practical nursing;

[O.]N. Maximum number of students per class;

[P.]O. Number of classes admitted per year;

[Q.]P. Number of students anticipated in initial class;

[R.]Q. Plan for increase to maximum enrollment, if applicable;

[S.]R. Admission and readmission criteria; any person who completed military health care training to include, but not limited to, Basic Medical Technician Corpsman (Navy and Air Force), Air Force Independent Duty Medical Technician, or Army Health Care Specialist may be eligible to enroll in this Veteran's Bridge Course. [V.]U. Systematic evaluation plan;

[W.]V. Evidence of eligibility for articulation of credits related to completion of a program of professional nursing;

[X.]W. Plan for hiring full-time and part-time theory and clinical faculty. This shall include full-time equivalents, student to faculty ratios, and full-time to part-time faculty ratios to meet initial and increasing enrollment;

[Y.]X. Position descriptions for the program administrator, nursing faculty, and support staff;

[Z.]Y. Facilities.

(I) Description of educational facilities to be used by the proposed program such as classrooms, library, offices, clinical skills and simulation laboratories, and other facilities.

(II) Description of planned or available learning resources to include such items as equipment, supplies, library services, computers, simulation technology, and online educational resources to be utilized for instructional purposes[;].

[6.]8. The board will electronically notify **existing** nursing programs **approved by this board that a [of receipt of the] proposal for establishment of a new nursing program is under review.**

[7.]9. Site survey. Representatives from the board will make an on-site survey to verify implementation of the proposal and compliance with 20 CSR 2200-8.050 through 20 CSR 2200-8.130; and

[8.]10. The board's decision to grant initial approval is contingent upon evidence from the site survey that the program is being implemented in compliance with 20 CSR 2200-8.050 through 20 CSR 2200-8.130.

- (B)** Initial program approval contingent on the site survey will remain active for no more than one (1) calendar year prior to program start.
- [(B)](C)** Throughout the period of initial approval, the program shall submit an annual report and annual registration. Annual registration fees shall be waived.
- [(C)](D)** Upon graduation of the program's first class and receipt of results of the first official National Council Licensure Examination for Practical Nurses (NCLEX-PN[®] examination) program pass rate, as reported after completion of the fourth quarter of the respective calendar year, the board will review the following:
1. The program's compliance with minimum standards during initial approval including the program's adherence to the approved proposal and changes authorized by the board;
 2. Report of an on-site survey;
 3. Report of the National Council Licensure Examination for Practical Nurses results (as per 20 CSR 2200-8.180(1));
 4. Identification and analysis of class graduation rate; and
 5. Submission of program's ongoing systematic evaluation plan with available data.
- [(D)](E)** After its review, the board shall decide to continue initial approval for a **specific period of time determined by the board**, *[of not more than one (1) calendar year]* withdraw approval, or grant full approval.
- [(E)](F)** On-Site Surveys. At least two (2) representatives of the board will make on-site surveys on a regular basis throughout the initial approval period. A program may request additional visits. Programs retained on initial approval status will have on-site surveys on an annual basis and as directed by the board.
- [(F)](G)** A program's approval may be withdrawn pursuant to section 335.071.3., RSMo, for noncompliance with minimum standards. A program which fails to correct identified deficiencies to the satisfaction of the board shall, after notice and hearing, be removed from the board's listing of approved programs.
